

OPPalyte™ ORH 60.0

Oriented Polypropylene Film

Jindal
Films

Product Description

OPPalyte™ ORH is a white opaque BOPP film, one side glossy, one side matte and both sides treated. The unique combination of gauge and yield make this film suitable for cold seal applications and temper evident packaging.

Key Features

- One side matt – paperlook
- One side white with high gloss
- Ultra high yield due to very low density
- Good machineability
- Heat sealable
- Printable both sides (matt surface can influence the print result, please address to your technical Jindal Films contact for advice)
- Good antistatic properties
