General Language Use

In these General Use Terms, the words “we,” “our,” “Company”, “Jindal Films” and “Jindal” are each used for convenience, and may refer to Jindal Films Americas LLC, Jindal Films Europe S.à r.l. or any companies affiliated with them in the production and sale of film products. There are a number of such affiliated companies, many with names including “Jindal” or “Films”. Neither the use of these terms of convenience, nor anything else in these General Use Terms, is intended to suggest that those affiliated companies are not legally separate or that responsibility for local action and accountability does not remain with them. Abbreviated references describing global or regional operational organizations and global or regional business lines are also sometimes used for convenience and simplicity. They are not, generally, intended to describe precise legal status.

Your Agreement

Jindal Films and its affiliated companies (“Jindal” or “Company”) provide this website (“Site”) and certain services, documentation, interfaces, applications, tools, and other functionality on or via this Site (the “Services”) to you subject to your agreement to comply with the following terms of use (the “General Use Terms”). Your use of this Site or the Services will constitute your acceptance of the General Use Terms, which will constitute your binding agreement governing your use of the Site or Services (the “Agreement”). If you are not willing to abide by the General Use Terms, do not use this Site or the Services.

Changes in General Use Terms

Jindal Films may revise the General Use Terms at any time without notice. Revisit this Site periodically to be aware of the most recent General Use Terms because they will be binding on you. Use of the Site or Services after such changes constitutes your agreement to such changes. Some pages may also have special additional terms and conditions that apply to the content of those pages. Those terms and conditions may also change at any time without notice and your use of those pages after a change constitutes your acceptance of those changed special additional terms and conditions.

Your Use of the Site

A. Site Security. You may not violate, or attempt to violate, the security of the Site or the Services. Any such security violations may result in criminal and civil liabilities. We will investigate alleged violations and will cooperate with law enforcement agencies in their investigations of suspected criminal violations. Among other things, your use of the Site may not involve any attempt to:

B. Infringement. You may not use the Site or Services to infringe on Jindal's or anyone else's copyright, trademark, patent or other intellectual property rights. Among other things, this means you must not post, email, or otherwise transmit images, software, text, or other material protected by intellectual property laws, including copyright or trademark laws unless you own or control the rights thereto or have received all necessary authorizations to do the same. Such actions may result in termination of your access to the Site and Services and you may be ordered by a court to pay money damages to us and to any other owner of any intellectual property rights you violate.

C. Other Improper Uses. In using the Site or Services, you must not:

- Post, email, link, or otherwise transmit or use the Site or Services to express, display or propagate any unlawful, harmful, harassing, defamatory, threatening, vulgar, indecent, sexually explicit, hateful or otherwise objectionable material of any kind, or any material that exploits children or is invasive of another person's privacy or other rights, or any material that Jindal in its sole discretion does not wish posted or transmitted on the Site and Services;
- Post, email, or otherwise transmit images, software, text, or other material protected by rights of publicity and privacy unless you own or control the rights thereto or have received all necessary authorizations to do the same;
- Engage in and/or encourage conduct that would: 1) violate any applicable law or regulation or 2) give rise to civil liability;
- Engage in conduct which could damage or impair the intended operability of the Site or the Services;
- Falsely state or otherwise misrepresent your identity or affiliation or impersonate someone else in any way;
- Engage in marketing or promotion of goods or services; or

D. Your Content. You are required to exercise caution, good sense and proper judgment in using the Site and Services. You are responsible for any material you place on, or transmit to or through, the Site or Services. You agree, represent and warrant that any information you post to or transmit through the Site or Services is truthful, accurate, not misleading and offered in good faith, and that you have the right to post or transmit such information. Such information (including without limitation, data, text, software,

E. Risk. Access to the Site is undertaken at your own risk and all information obtained via the Site or Services is used at your own risk.

F. Consequences of Misuse. We reserve the right, in our sole discretion and without notice to you, to refuse or delete any of your content and to suspend or terminate your access to the Site and Services in the event of a violation or attempted violation of this Agreement by you or by any third party acting on your behalf or if we determine that your use of another company's service could reasonably be expected to adversely affect the Site and Services in any manner.

G. No Licensing. Your use of the Site or the Services provides you no license, express or implied, under any copyright, trademark, patent rights or trade secret rights now or hereafter, owned, controlled or possessed by Jindal.

H. Use of Downloadable Documents. The Site includes a section where approved users may download selected certificates and statements in relation to our products ("Materials"). Where such access is granted, the Materials are made available in good faith and for information purposes only. The Materials have been prepared and verified to a reasonable, but not absolute, degree. By their nature, however, they do not provide a complete description of the matters to which they relate. Nor are they likely to be free of all errors or discrepancies. No representation, warranty or undertaking, express or implied, is or will be made in, or in relation to, and no responsibility or liability (including, without limitation, any liability in negligence) is or will be accepted by Jindal Films as to, or in relation to, the Materials or the accuracy or completeness of the information contained therein (save in the case of fraudulent misrepresentation or willful non-disclosure) and any liability therefor is hereby expressly disclaimed.

The use of the Materials is restricted to the user (which may be an individual or a company) to whom Jindal Films has granted access to the Materials. The Materials may not be distributed, displayed, copied or altered without Jindal Films' prior written authorization. To the extent Jindal Films authorizes distributing, displaying and/or copying of the Materials, the user may do so only if the document is unaltered and complete, including all of its headers, footers, disclaimers and other information. You may not copy the Materials to, or reproduce them in whole or in part on, a website. Jindal Films does not guarantee the typical (or other) values set out in the Materials. Any data included therein is based upon analysis of representative samples and not the actual product in relation to which you may have downloaded the Materials. The information in the Materials relates only to the named product or materials when not in combination with any other product or materials. The information is based on data believed to be reliable on the date compiled, but Jindal Films does not represent, warrant, or otherwise guarantee the accuracy, reliability, or completeness of this information; nor do we warrant, expressly or impliedly, the merchantability, fitness for a particular purpose, freedom from patent infringement, or suitability of the products, materials or processes described. The user is solely responsible for all determinations regarding any use of material or product and any process in its territories of interest. We expressly disclaim liability for any loss, damage or injury directly or indirectly suffered or incurred as a result of, or

related to, anyone using or relying on any of the information in the Materials. The Materials are not an endorsement of any non-Jindal Films' product or process, and we expressly disclaim any contrary implication.

I. Use of other Site Content. You may print one copy of content on this Site (other than Materials) for your personal non-commercial use, or in connection with your purchase of any Jindal Films products, provided that you leave any copyright or trademark information intact and unchanged. You may forward, distribute, and/or photocopy copyrighted materials of Jindal located on this Site only if the entire relevant page or document is unaltered and complete, including all headers, footers, disclaimers, and other information. You may not, however, copy these documents to a website. Other than as specifically set out in these General Use Terms you may not copy (whether by printing onto paper, storing on disk, placing on another site, downloading in any other way), distribute (including distributing copies), broadcast, alter or tamper with any portion of this Site.

J. Framing. You may not “frame” this Site or use our proprietary marks as metatags. These marks include, but are not limited to Jindal and Jindal Films. You may not use frames or utilize techniques or technology to enclose any content included on the Site.

Jindal Trademark and Copyright

Jindal, Jindal Films, and certain other brands, trademarks and service marks are marks of Jindal Films and its affiliates. Use of the materials in any other way or for any purpose other than for personal, noncommercial use is a violation of Jindal's copyright and other proprietary rights. Permission for all other uses of materials must be obtained from Jindal Films in advance in writing. All content, interfaces, graphics, code, design rights, and other intellectual property rights, in each case, whether registered or unregistered, other than the marks of third parties, and related goodwill are the property of Jindal Films.

You specifically acknowledge and agree that Jindal Films and its affiliates are not liable for any defamatory, offensive, or illegal conduct of any user of the Site. Applicable law may not allow the limitation or exclusion of liability or incidental or consequential damages, so the above limitation or exclusion may not apply to you.
