This substrate has been evaluated under the standard comprehensive  
testing procedure, in conjunction with HP Indigo R&D substrate certification criteria.

Please note: By certifying your product this means you support it's use on HP Indigo equipment and its uses, and that you will perform any due diligence necessary should complaints arise. Further, by receiving approval, you agree that if there are any manufacturing or product changes that may impact substrate performance you will have the product re-tested/re-certified, to eliminate the risk of issues in the field as a result. Certification is valid for 3 years, at which time a successful screen evaluation will re-certify for an additional 3 years. This is to ensure continued quality results for our mutual customers.
